

LIDEEA's

Equal Opportunities Policy

We are committed to equality of opportunity in education, training and employment. This commitment applies to all, regardless of gender, age, racial origin, nationality, creed, sexual orientation, marital status, employment status or any disability.

We aim to promote practices and procedures, which ensure equality of opportunity and aim to eliminate any which unfairly discriminate, directly or indirectly.

Our training programmes are offered open on the market and are planned at least quarterly. The quarterly training programs are published on public channels (4 professional websites relevant for the target groups), LIDEEA's website and LIDZone eLearning platform. Advertisements are addressed to the target segments of clients observing the rights to privacy, equal opportunities to access training services.

Non-discriminatory practices for registration, selection, evaluation (according to LIDEEA policy and procedures) are based on the policies and procedures.

During the participants registration process we collect all special requirements for disabled persons in order to satisfy the needs in terms of logistics, rooms and other facilities.

Should you have concerns about any equal opportunities issue, please discuss with the trainer in question to resolve the issue and if this is not possible contact the Training & Development Manager at the following e-mail address: training@lideea.eu or by phone +40356 455251; +40 755113272 clearly stating what the issue is.
